Education. Vision. Faith. Life.

Words of Encouragement

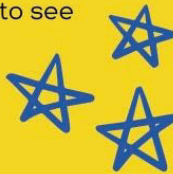

But God, being rich in mercy, because of the great love with which he loved us, even when we were dead in our trespasses, made us alive together with Christ —by grace you have been saved—

Ephesians 2:4-5

Nadia's Story

Nadia is one of our High School Tutors here at UCA. She attends Walter Payton College Prep on the Northside of Chicago. Nadia was once a student in our program and is now investing in the 3rd-5th grade students as an After School Tutor here at UCA. When asked "What tools has UCA given you for life?" She said **"UCA has given me the skill of patience while working with students and a community that cares about the students they work with."**

We are thankful for Nadia and her heart for UCA students. Our staff has watched her grow as a student and now an employee. We are thrilled to see all the good she will do in the world.

UCA Updates

This past month our staff has assisted our students in accomplishing their goals. They have gotten to stand beside them as they have made strides academically and emotionally. Adain Wu, one of UCA's 5th graders, was student on the month at Robert Healy Elementary School. Edmond Mei, one of UCA's 7th graders, celebrated his birthday this past month. We are so proud of our students, and we are grateful for the opportunity to assist them as they pursue extraordinary goals.

Why Sponsor an Experience?

When you sponsor an experience, you directly gift our students with memories and learning opportunities within their city!

Your gift allows students the opportunity to grow in an environment that is outside of their normal routine. You may even gift a student a once and a lifetime experience to learn outside the walls of their schools and homes.

Pictured is our K-5th graders at the Willis Tower Experience (Summer 2022)

If you would like to Sponsor an Experience at UCA, please go to [UCACHicago.org/donate](https://ucachicago.org/donate).

Sponsor an Experience at UCA

Our Mission

Urban Christian Academy responds to the community-driven educational needs of students and families with a holistic approach to programs and services. We bridge cultural and social gaps between families, schools, and communities as we prepare and develop future generations for LIFE.
