

SUMMER PARENT NEWSLETTER

WEEKS 1 AND 2 RECAP

JULY 7TH 2023

WHAT WE'RE LEARNING IN K-5TH

- Our K-5th graders have been studying Language Arts, Math, Spanish, Mandarin, SEL, and Bible.
 - In Language Arts our K-2 grades have been learning how to identify Nouns. In 3-5th they have been learning how to write an opinion paper.
 - In Math our students have been reviewing subtraction, addition, multiplication, and learning long division.
 - In Spanish and Mandarin our students have been learning their introductions and colors.
 - In SEL our students have been identifying stressors and how to manage them.
 - In Bible our volunteers from WCAC have been teaching different Bible stories.

普通話

OUR VOLUNTEERS

- We want to give a special thank you to Hawley Alliance Church who came to lead Bible for the first week of our program, make copies, and aid teachers in accomplishing everyday tasks..
- We also want to thank WCAC our faithful partners. They provided supplementary meals to all of our students and staff for two weeks, along with teaching Bible for week 2 of our program.

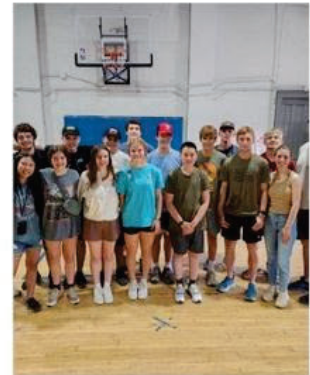

WHAT WE'RE LEARNING IN 6TH-8TH

- 6th-8th have been studying the following subjects: Language Arts, Bible, Math, and SEL.
 - In Language Arts they have been reviewing reading, writing, grammar, and test prep.
 - In Bible they have been learning about who God is and how He loves them.
 - In Math they have been reviewing old lesson and progressing into new concepts.
 - In SEL they have been discovering different parts of the brain and how they react to different emotions.

HIGH SCHOOL INTERNS UPDATE

- Our High School Interns have been serving our K-8th grade students by maintaining water, garbage, and being available to be used by the lead teachers in each classroom.
- Our High School Interns have been led by Miss Ruby who is structuring their schedules and mentoring them in leadership skills.
