Saturday School

Miss Rachel and Mr. Leo have been leading a specialized math tutoring program for our 3rd-5th grade students every other Saturday. This initiative was introduced to support students who are struggling with challenging new concepts in both gifted and non-gifted math programs. By creating additional time and space for our teachers to work closely with students, we've seen a noticeable improvement in their grades. Students are now more confident in tackling homework, tests, and quizzes.

Congratulations!

Congratulations to the Touati Family! We are overjoyed to celebrate a significant milestone with the Touati family—becoming United States citizens! This moment represents their dedication, resilience, and hard work, and we are honored to share in their joy. Please join us in congratulating the Touati family on this incredible achievement. May this new chapter bring blessings, opportunities, and continued growth!

New life Bridgeport Egg Hunt

Come celebrate Easter with Newlife Bridgeport Church on April 5th! Join us from 11 AM to 1 PM for a fun-filled Easter Egg Hunt, open to all in our community. Bring your family and friends for a time of fellowship, family-friendly entertainment, and a joyful celebration of the Easter season. We look forward to seeing you there!

Welcome volunteers!

We're excited to welcome Harvest Mission Community Church as a new partner with UCA! Recently, they brought 10 students from the University of Michigan to volunteer and spend two days walking alongside our UCA family. During their visit, they learned about our program's history, how God has remained faithful to us, and got to know our dedicated staff team. The college students also lent a hand in our after-school program, helping with pick-up, snack time, gym activities, devotional time, work cycles, and classroom cleanup. We are truly grateful for the support of new partners like Harvest Mission Community Church!
